adjust to the loneliness It's just you and your product adjust to the loneliness. It's just going to be you and that service. It's going to be your credit card maxed out. It's going to be your bank account depleted. Adjust to the loneliness, who gives a fuck adjust to it, you ain't got no girl to support you, adjust to the loneliness. Your best friend don't give a fuck about your business adjust to the loneliness. The number one thing that's going to make you successful is to adjust to the loneliness. Putting yourself in a space where you can be all alone it's just you and that motherfucking t-shirt, it's just you and that motherfucking beauty salon. It's just you and that motherfucking pickup truck. Because at the end of the day nigga you doing this for yourself. Adjust to the loneliness it ain't going nowhere. So adjust to it. Seven string. Free. Free is when nobody else can tell us what to be. Free is when the TV ain't controlling what we see. Tell my nigga I need you, through all the fame you know I stay true. Pray my nigga they free.
