STORED TRANSCRIPT

The majority of the issues that you deal with are in your head. Some motherfuckers doubt and think shit, I can't do it. If they don't doubt it, they fear it and think, shit, what's going to happen if I do do it? The insecurity comes from shit, I might can do it but I don't think I could do it well. And then the ignorance comes from shit, I didn't even know I could do it at all. See, the goal of the seven streams is to give you seven principles that lead to practices that lead to seven figures in income. To overcome all your fears and anxiety by putting in the initiative. To overcome all the difficulty and the doubt by having the discipline. Find the means to live your dreams do these motherfuckers that's Zelda, Nigga, Zelda, Nigga. Yeah. You know what I hate, though? Size, one of you warm ass niggas that be talking all reckless like y'all niggas really live that life. Like y'all niggas really 'bout that, nigga.
