STORED TRANSCRIPT

If you don't like me cuz somebody else don't like me just know I'm glad both of you motherfuckers don't like me The least thing I'm worried about is what a motherfucker think about me when I'm trying to accomplish my goals and get somewhere in life It takes a lot of gall for a motherfucker to have an opinion but not have a bank account. The number one thing you want to focus on when you trying to accomplish anything in life is keeping the main thing, the main thing. The number two thing that you want to focus on when you're trying to accomplish anything in life is keeping the main thing, the main thing. Don't let these motherfuckers distract you with their opinions. 'Cause at the end of the day, a motherfucker's opinion can't pay a bill. We all know that. Seven strings. All I wanted was a new Mercedes, bend in off the corner, whipping off the lot, I got it. Women love me, but damn, how can I not look when I came from the bottom?
