STORED TRANSCRIPT

You know what I'm saying? Like nothing going to stop me. Like they keep tripping off of all the small shit. Like, it's slow right now. What do you think? You think you going to close? Man, fuck no. I'm never closing, nigga. I'd rather die, bitch. You going to have to kill me. I'm not closing. I'm strapping the fuck up and going in further. You feel what I'm saying? So like don't fear, doubling down. When times get hard, do do the opposite of what you normally going to do. So like for me, when times get hard, I double my investment, I double my workload, I double my endeavors, I double my creativity, I double the nights that I stay up. I double down. Double up, three or four times, I ain't telling no lies, I just run it up. Never let a hard time humble us.
