Nigga, so pressed to be tough. So, prove you a bully or you a hurt something. Get some motherfucking money. Prove to the world that you can be successful. Stop running around this motherfucker angry for no reason or mad because life ain't work out for you the way you thought it would work out. Put a plan together that's going to give you some purpose, but more specifically give you some paper because the last thing you want to do is run into another angry motherfucker. Then it really be a tough day. Seven strains. Told you it ain't safe for you. I got the shooter on the chase for you. Took a few thousand out the safe for you. Five bullets in the .38 for you. I know these niggas ain't loyal. That's a snake for you.
