Accountability. That's my fault. I fucked that up. I won't make that mistake again. Every day I look to correct my wrongs. Yesterday's mistakes won't be today's mistakes, and tomorrow's mistakes won't be next week's mistakes. You see the goal when it comes to accountability is to look in the mirror and identify, I don't have it all figured out. I might not know everything but I'm willing to do anything. Put yourself in a space where you be accountable for yourself, accountable for your actions, accountable for the people around you. Accountability. I know I'm accountable for myself, what about you? Seven strands. Why you mad at me? Bro nigga, why you mad? Chop out the window. Chop out the windows. You don't know my expenses. I got to buy bigger plates, and bigger scales, and more bags. What you mad for?
