Caption: YOU A MAN,SHUT THE FUC UP AND GET THAT SHIT DONE!! CHICAGO TELL THE GUYS THE 7 ON THE WAY!fuc these holidays nigga don't buy shit it's time to man up, bitch ass nicca energy is everywhere and we can't have it over here, overcome your fears thru initiative and starting, overcome your doubts thru repetition and reflection you can't have anxiety you already broke as shhhh, ignore all the inside noise telling you what you can't do it and seize the day nicca!!The first rule to success is being definitively certain about what success is to you! A man can get anything he wants but not everything he wants and that is where your personal desires have to be prioritized it's impossible to run fast, jump high, sing, dance, have money, free time, dress cool,and be intellectual but leave it up to a dumb ass nicca to try to do it all!!! The first thing ima tell u niccas over these holidays is sit down all alone and figure out who you are or more importantly who your not, make a short list of the things that mean the most to you, no more than 3 things and live in the pursuit of those 3 paths! If family is the priority stopping hanging with them dumb ass niccas and playing video games, create game night with ya family and make a meal together , if money is important stop spending ya bag on dumb shh and create a savings if it's ya mom plan a mom date once a month this will make you both feel better, prioritize this "FIRST THINGS" say fuc the rest and I promise you will be happier but more specifically you'll feel like a man because the best part of being a man is waking up everyday feeling like one and more importantly being one! 7STREAMS

Timestamps below the frames are actual source frame times. Sampling requests are snapped to the nearest decoded frame.

Transcript timing is unavailable. No spoken text has been assigned to individual frames. The original transcript is included after the visual pages.

STORED TRANSCRIPT

Source: existing stored transcript. Timing is not inferred.

The number one thing a nigga need to do is shut the fuck up. Not yourself, but the voice in your head. Stop listening to your voice in your head, tell you that you shouldn't take certain chances. Stop dealing with fear, insecurity, doubt, and anxiety. You a grown ass man, nigga. If you take the chance and you don't make it, what you got the fuck to lose? Shut the fuck up and just do it cuz it damn sure can happen for you. Seven strain.
