I got to make this shit hot, you know what I'm saying? I got to make this shit shake. I can't sit back and wait for my opportunity to come, I got to take mine. Man, listen. The early bird get the worm around this motherfucker. Go in early and leave late. Give it all you got so it can give you all you want. Push the motherfucking needle till you can't push it no more. Set the bar for yourself so high, you stress the fuck out. And make your five-year plan your one-year plan. Seven straight. told you it ain't safe for you. I got the shooter on the chase for you, took a few thousand out the safe for you. That bag on you, five bullets in the 38 for you. I know these niggas ain't loyal, that's a snake for you. Don't fuck with niggas.
